*L'Argus de l'assurance spécial comptes, December 2020. Ranking based on 2019 written premiums.
** The contribution to the net income group share of Crédit Agricole S.A. amounted to €1,056 million.
The difference with Crédit Agricole Assurances' net income group share is mainly due to analytical
restatements affecting to the Insurance business line i) analytical expenses of Crédit Agricole S.A.
(mainly the cost of the Switch guarantee of around €140 million) and ii) subordinated (RT1) debt
coupons for €76 million, and also to the elimination of the monetary compensation of €49 million
paid to Crédit Agricole S.A.

*** Growth restated for a change in accounting methodology in 2020: without restatement, growth was
8% in Property & Casualty compared to 2019.
